## SLOW MORNINGS & SEDUCTIVE SUNSETS

Embrace a slow morning, sipping organic Costa Rican coffee to the sound of distant howler monkeys and savoring a divine breakfast by the pool. When the sunshine starts to scorch, head to the spa for some all-natural pampering – our therapist will help you blend and apply a completely organic face mask with pure ingredients to keep your skin hydrated and glowing. Then it's up to you to sit back, relax and hold a straight face!

Head down to Rancho La Merced at sunset to horse-back ride along the beach. Our miles and miles of pristine Pacific coastline are truly beautiful and untouched – it's hard not to fall in love with our soft, palm-fringed sands and warm, calm waters.

#### **GREEN SHAKES & COCKTAILS**

Join us behind the scenes for a tour of our organic greenhouse. From wild cilantro to exotic herbs, taste your way through our green garden and pick out your own ingredients for an all-natural smoothie or lunchtime salad. Top it off with a scrumptious slice of passion fruit pie and a blissful siesta in the sunshine.

Later on we'll shake things up with a cocktail class courtesy of our entertaining bartenders. Join them to mix up some Costa Rican concoctions featuring tropical ingredients and hard-to-find liquors, or put a tico spin on your favorite classics – salud!

# day 4 **SEA LIFE & CEVICHE**

After a day in at Kurà, venture out once more to the famous Whale's Tail sandbar in the Marino Ballena National Park. Kayak around the Tail with an expert guide learning all about the park and the marine life it protects, and snorkel through the tranquil waters in search of colorful fish and corals.

Return for a tasty lunch and some hammock chill time ahead of the afternoon's cooking lesson. We'll give you a taste of our Costa Rican culinary culture with a ceviche masterclass featuring exclusively local and super fresh ingredients. Learn how to make this light, tangy dish the traditional way with a little Kurà twist.

#### SPA INDULGENCE

Spend your final day at Kurà lazing around in the pool, enjoying your favorite organic dishes, and staring out across the inspiring, tropical horizon. End your romantic stay in paradise on an indulgent high with a visit to our ocean-view spa. For some ultimate pampering, book in a 90-minute couple's massage and allow yourselves to drift off to the sounds of the rainforest — there's nowhere quite like nature to experience true relaxation.

Finish off your treatments with a chilled bottle of wine and a cheese board in the lounge area, and a sumptuous bubble bath to get you in the mood for an evening of intimacy. You can look forward to a last delicious dinner under the stars before retiring to your dreamy candlelit Suite for the night.
