# Driving to Kurà

Kurà is on a coastal ridge only accessible through the town of Uvita — The hotel is located 5km up the mountain, which is a 15-minute drive from the main road in the village. You have two options to reach Kurà; you can use your own transportation and drive up to the hotel. Or, you can park at our parking lot in Uvita, and we will pick you up from there.

**If you're planning to drive up to the hotel**, please note that this requires a 4x4 vehicle due to the rugged and steep road conditions. We highly recommend arriving during daylight hours to enjoy the adventure and the beautiful surroundings thoroughly.

**If you prefer to avoid driving up the rocky road**, leave your vehicle at our designated parking lot located just below Uvita Beer Garden. Once there, our team will transport you to Kurà in a comfortable 4x4 vehicle. You can find the parking lot location on the Uvita map page.

**As you get close to Uvita** give our Front Desk a call or send us a WhatsApp message at +(506) 8521-3407 to let us know your arrival time. We can then either send a 4x4 vehicle to pick you up or prepare for your arrival at the hotel.
